

Dear guests of Regenbogenfabrik,

Before your stay with us, please note:

Until further notice, our rooms may only be occupied by people from 1 household.

For the shared rooms this means that a maximum of 2 different households can stay in one room.

We have adjusted the occupancy of the shared rooms accordingly, so that you will not be closer than 1.5m while sleeping.

Bookings and cancellations: Both old and new bookings can be cancelled at any time free of charge, in accordance with the nationwide conditions pertaining to valid travel and movement. Should your travel plans change or new regulations come into force, you will not lose out from having made a booking.

Prices: Due to the increased effort required in these times and the limited occupancy we are allowed to offer, we have slightly increased and simplified our prices. We thank you for your understanding.

Hygiene during your stay: Our cleaning regimen, ever stringent, has been upgraded once more in response to Corona. In particular, the common areas are disinfected three times per day. There is sufficient soap and disinfectant provided in the bathrooms, toilets and the guest kitchen.

While we do ask you to please make sure to maintain a distance of 1.5m from others, and to wear a mask in commons areas whenever possible, we would also like to emphasise that we remain a place where people can meet and enjoy friendly hospitality. Our spacious green courtyard is the perfect place to get to know each other and relax during your stay. We would like to encourage you to continue to exchange ideas and perspectives with one another and with us, even in these isolated times – especially in these times.

Breakfast: Unfortunately we are no longer allowed to offer you the frankly delicious common area breakfast buffet of bygone times. However, upon request we would be happy to serve you breakfast separately, either in the dining room or in the courtyard. The guest kitchen can still be used and is disinfected several times a day.

Experiences and activities: Museums, cultural institutions, parks and restaurants are open again and can be visited easily with some planning. If you still feel more like exploring the city outdoors, we would be happy to arrange qualified city guides for tours on foot or by bike. For your getting to know the city and local area, we are offering our guests one day of bike rental free of charge, from June to September.

We are here for you! The most important thing we leave till last: We are very much looking forward to meeting you, and we are there to answer any questions you might have before, during and after your stay! 😊
